Profile Summary

Aspiring Full Stack .NET Developer with hands-on experience in C#, ASP.NET MVC, SQL Server, HTML, CSS, JavaScript, and React.js through internship and academic projects. Skilled in developing responsive web applications, RESTful APIs, and database-driven systems using modern development practices. Strong understanding of OOP concepts, MVC architecture, CRUD operations, and SQL database management. Passionate about building scalable applications and collaborating in Agile development environments.

Technical Skills

- Frontend: HTML5, CSS3, JavaScript, ReactJS (Basics)
- Backend: ASP.NET, ASP.NET MVC, ADO.NET
- Database: SQL Server, MySQL, Stored Procedures, Triggers, Views, Joins
- Programming: C# (OOP Concepts)
- Tools: Visual Studio, VS Code, MySQL Workbench
- Concepts: CRUD Operations, MVC Architecture

Internship

Full Stack .NET Developer Intern

Besant Technology, Chennai | 6 Months

- Developed responsive web application components using HTML, CSS, JavaScript, and React.js.
- Integrated frontend interfaces with ASP.NET backend APIs to support dynamic web functionality.
- Implemented SQL queries and stored procedures for efficient data retrieval and database operations.
- Collaborated with senior developers to debug, test, and improve application performance.
- Followed clean coding practices and industry development standards in a team environment.

Projects

1. Loan Management System (.NET & SQL Project)

- Developed a Loan Management System using ASP.NET MVC, C#, and SQL Server.
- Designed database tables for Customers, Loans, and Repayments with CRUD operations.
- Created SQL queries, joins, and stored procedures for efficient data management.
- Improved database performance using query optimization and normalization technique

2. Automated Gas Leak Detection and Response Systems

- Developed an automated safety system to detect gas leakage and trigger
- Implemented alert mechanisms to provide early warnings
- Designed an automated response to shut off gas supply and trip electrical breakers
- Enhanced safety by reducing manual intervention and improving response time

Certification

Full Stack .NET Developer Certification– Besant Technology, Velachery

- Training in C#, ASP.NET MVC, SQL Server, HTML, CSS, JavaScript.

Education

Syed Ammal Engineering College, BE in Electronics And Communication Engineering(2022 – 2026)

- CGPA: 8.24/10
- HSC (2022): 68.83%
- SSLC (2020): 87.6%
